We are recognised as the most experienced website providers to the local council sector

visionict.com

Graphic Design

These days it is becoming increasingly important to present your council communications or marketing to the public with a professional quality. Newsletter layouts, Facebook pages, certificates and other services, whether on paper or online, represent your council.

Does your council have a logo? Are all of your materials consistent and unique? Are you wishing to take a fresh look at how your council presents itself?

Vision ICT can offer you a skilled team of individuals to look at all these areas and work with you to explore your ideas.

Data Backup

How long would it take to re-create all of your data? How much time and money would it take to get back to where you were before?

Backing up the data on your computer on an hourly basis is vital. Fire, theft or viruses can strike at any time, particularly when you are not expecting it.

With GDPR, securing data is now a vital part of your council's responsibility. Automatic backups that are easy to set up, relieve you of worry and stress, knowing that your files are safely stored off site in the UK with all data sent over a secure connection.

We can back up multiple computers and allow you to access your files remotely.

Moringa

The Miracle Tree

If you only knew what amazing benefits Moringa can bring

The Moringa Tree has some truly remarkable health benefits

For thousands of years the Moringa tree has been used as a medicinal herb in Eastern cultures. You can now enjoy all these benefits with our 100% pure Moringa leaf powder, tea and cold pressed oil. There are so many reasons and ways to add Moringa to your daily routine.

These are just some of the benefits from taking Moringa, reported by our customers:

Good for a healthy heart	Moisturises and nourishes dry skin
Lowers high blood pressure, naturally	Can be used as a natural face cleanser
Balances blood sugars and is good for diabetics	Anti-bacterial, anti-inflammatory, anti-oxidant
Improves digestion and reduces constipation	Helps with blemishes, spots and acne
Boosts metabolism for better weight loss	Speeds the healing of cuts and bruising
Relieves rheumatism and arthritis symptoms	Gentle enough for babies and children
Good for liver and kidneys	Slows the ageing process
Anti-bacterial and anti-fungal	Boost the immune system
Boosts the immune system	Reduces wrinkles and age spots
Moringa may help with asthma	Fights skin fatigue

Organically grown
Hygenically prepared
Suitable for Vegans

What our customers say...

Noticing an increase in my energy levels. I'm feeling much more positive than I usually do at the end of the year, being a sufferer of a personal affective disorder.

I am sleeping much better and when I play golf I am the one who is flying up the hills while younger guys are puffing and panting. This really is a miracle plant.

Paul

Moringa gives me much more energy and makes me feel amazing.

I would normally expect my blood glucose levels to be high when away - however, my readings were good - sometimes better than when I am following my usual diet.

Kim

For more information either respond to the person who gave you this leaflet or you can purchase Moringa products on line from the website listed below.

Independent distributor for Wikaniko Ltd

If you are interested in growing an extra income by working from home part-time please ask for information about joining us as a distributor.

Do you have a space you are proud of?
Why not show it off...

A 360° tour can provide a totally immersive experience by creating the feeling of the viewer really being there.

Using the latest technology, we produce 360° virtual tours, which allows potential customers to fully explore your space and gain a genuine insight into your business.

“

The flexibility is immense; prospective clients can take a look around one space and then walk through a door to another, and another..
