

ADVENTURE HOLIDAYS LANZAROTE

ENQUIRY FORM

You can fly to Lanzarote every day of the week from the UK and Ireland, it is approx. 62 miles from the west coast of Africa.

Budget flights are available via Jet2, Ryanair, EasyJet, Thomson, etc., at the moment Norwegian Airlines are certainly the cheapest company, other options can be found using SkyScanner.

We provide a meet & greet service at the accommodation; we can help arrange airport transfers or car hire.

The accommodation is on a self-catering basis, the property is equipped for basic catering requirements.

A towel change is provided once during the stay, you will need to bring your own beach towels.

A basic public bus service operates throughout the island and the bus stop is within walking distance.

Many of the local bars and restaurants have a Wi-Fi facility.

Most of the time it is best to change your money from sterling to euros here on Lanzarote as the rate is often better.

Many of the places in the rural locations do not speak English but they do understand enough to serve you. The language spoken is Spanish, but all tourist places have English speaking staff.
