Who?

The Big Sustainability Expo is run by
The Southern Sustainability Partnership Limited

Launched in 2015

We are one of the longest-running events in this space in the country.

With offices in both Dorset and Hampshire.

Focusing on Corporate Sustainability and Environmental Management.

Hosting products, services, technologies, innovations and expertise making their mark today.

Also encouraging collaboration within our Exhibitor family.

Why?

The Big Sustainability Expo 2026

Sustainability isn't just a goal, **it's a conversation** we all need to be part of

We are not just showcasing the best products, technologies, services and innovations we're sparking the conversations that create real impact.

With every Exhibitor contributing their own unique voice.

Whether our visitors are a start-up with a bold idea or a global brand Rethinking its footprint, this is your opportunity to join the dialogue shaping tomorrow's solutions.

Because change doesn't happen in silos—it happens through conversations. Let's talk. Let's act. Let's build a sustainable future together.

Don't just **listen to us**

Matt Anderson
CEO - Velair Group

We just wanted to congratulate you again on hosting such a wonderful event. It's a real credit to you and a reflection of all your hard work. I get the feeling the next 10 years will be even bigger and better for everyone involved. You've built a fantastic following no small feat and something to be truly proud of.

Lauren Tibbetts
Marwell Wildlife

Thank you so much for organising yesterday - It was a brilliant event as usual.

Emma Humphrey
Owner - Today for Tomorrow

I wanted to write and thank you from the bottom of my heart for yesterday. I had such a wonderful day and met so many people that I instantly clicked with, came home floating on the clouds after a day surrounded by my tribe. You have created something very special.

Simon Barfoot
Blackmore UK

I just wanted to say a huge thank you for all your hard work and support in putting together the Big Sustainability Expo 2025. The whole team from DonateIT and BlackmoreUK were so grateful to be part of such a successful and enjoyable event. It was inspiring to see so many great examples of sustainability in action, perfectly highlighting what the Expo continues to promote and showcase. Congratulations again on reaching the 10-year anniversary of the Expo — what an incredible milestone! We met some fantastic people, made great new contacts, and thoroughly enjoyed the day from start to finish. We're already looking forward to being part of it again next year!
