- £200 off an Exhibition Package at one of the BGN expos
- Co-branded sponsorship and event opportunities across events and digital channels
- Exclusive speaking opportunities at conferences; hosting opportunities at awards may carry additional costs
- Tailored introductions to high-value contacts and potential partners
- Dedicated account management for ongoing strategy and support

Note on exhibition benefits: another Business Membership overview in the supplied presentation states that a Silver Exhibition Package at one UK expo, valued at £795 + VAT, is included. Because the detailed benefits slide separately states "£200 off Exhibition Package", clients should confirm the current exhibition benefit with BGN before joining.

More Than Just Events

BGN is designed around consistent opportunities to meet new people, strengthen relationships and stay visible within the business community.

National Network Access

Members join a nationwide community of business professionals, with directory access to useful contacts, suppliers, partners and potential clients across the UK. The supplied presentation also highlights access to a broad calendar of networking meetings and larger BGN expos.

Promotional Growth

Members can build visibility through local meetings, online sessions, 45-second spotlight opportunities, 1-2-1 conversations, collaborations, referrals and shared projects.

Terms & Renewal

All memberships run for a minimum of twelve months and renew each year. Premium and Business Membership applications are reviewed before acceptance to ensure applicants meet the standards expected at those levels.

Ready to grow your network?

Speak to your BBX Account Manager to discuss which Business Growth Network membership is the best fit for your business.
